

TOILET TRAINING GUIDE

Keep your space clean and smell-free!

What You'll Need:

-  A high-sided tray
-  Plain newspaper (no colored pages)
-  12-inch Turkish towel pieces
-  Small garbage bags
-  Spray bottle ($\frac{1}{2}$ vinegar + $\frac{1}{2}$ water)

What To Do:

1. Absorb: Mop up urine with newspaper.
2. Dispose: Place used paper in a garbage bag.
3. Spray & Wipe: Clean the area with vinegar spray and wipe with a towel.
4. Ventilate: Leave the open garbage bag in the bathroom & keep the door open.

*Remove ALL urine smell from your home. Urine drips = lingering odor.
That's why the garbage bag matters!*
